

Build your brand

Review and Update Components of your Online Presence

Visit our website

Introduction

Congratulations on completing your Bootcamp! In this final “Build your Brand” task you will review and update your online portfolio, add any additional tasks to GitHub, update your CV and update your HyperionDev Careers and LinkedIn profile.

Compulsory Task

Follow these steps:

- Update your LinkedIn profile to indicate that you have successfully completed your Bootcamp. Add your “Completion Certificate” to your profile. Add any additional skills that you have required to your profile. Add a link to your online portfolio. Add a link to your blog if you have one.
- Push any other code/projects that you would like to showcase to GitHub.
- Review all the projects that you have added to GitHub. Make sure that each project has a detailed README file. Also, make sure that all your code adheres to appropriate style guides.
- Update your personal webpage to indicate that you have completed your Bootcamp. Add a link to your “Completion Certificate”. Add links to any code that you have written that you would like to showcase. Add a link to your blog if you have one.
